30th September 2026

Dear Parents and Carers,

Year 6 Booster Sessions - Maths

We are pleased to say that we will be offering before school booster sessions from Tuesday 6th October. These sessions are targeted at children who we have identified would benefit from additional sessions to boost their confidence in certain subject areas.

Your child has been invited to attend a booster group for **Maths**. These sessions will take place every **Tuesday** from 7.30am – 8.30am.

These sessions are aimed at deepening your child's understanding of key concepts and giving them the best opportunities to succeed in their education. It is very important for your child's learning that they attend each session each week and arrive on time please. All children are very welcome to bring in a healthy snack for these sessions.

The first session will commence on Tuesday 6th October, therefore please log on to Arbor and provide your consent via the Clubs Section by **Monday 5th October** for your child to join us.

If you have any queries, please do not hesitate to ask.

Yours sincerely,

Miss Maloney
Phase Leader
