Dear Parent/Guardian,

Music Lessons Autumn Term 2026 (September to December) – 10 weeks

We are pleased to be continuing to offer music lessons in the Autumn Term. Your child can have the opportunity of learning the Drums, Piano or Violin. These will be filled on a first come first served basis so don't hesitate to book on Arbor. This will be available to book on Arbor, under Clubs from **Wednesday 9th September 2026.**

Music lessons will start week beginning 14th September 2026, The children are taken for 15 minutes to receive individual tuition in their chosen instrument, which is given by qualified music staff, who come into the school especially to teach. Of course, there is an associated cost which is highlighted overleaf. This fee is paid up front every term and if you ever wish to discontinue lessons, we do ask that half a term's notice is given as the tutors are always booked in advance.

As a school we really believe the opportunity to learn an instrument is a valuable one, often leading to a lifetime skill and love of music in general. It also is known to have a positive impact on a wide range of other learning. If your child would like to continue their lessons or does not currently learn an instrument and you would like them to start in the Spring Term **please make the payment and give your consent on Arbor by Friday 11th September 2026.** We will endeavour to arrange the necessary lessons. Of course, if you have any questions please contact the school office for any further information.

Yours sincerely

Mrs Rosheena Ali
